The School

With a capacity to house about 3000 students, the school offers co-education from Nursery to grade XII . The medium of instruction is English, affiliated to the CBSE board, New Delhi. There is day schooling along with boarding facilities for both boys and girls with the capacity to accommodate 200 and 75 students respectively, thereby combining both day scholars and residential scholars.

The school has a dedicated faculty of highly qualified and efficient teachers, who use modern techniques of teaching. The school provides best-in-class infrastructure facilities. The learning needs of each student are met in an environment that is supportive and affirming. Collaborative Project based learning with real time experience, Peer tutoring, remedial and enrichment classes are regularly conducted to optimize learning outcomes.

Besides this student's life is enriched by a series of co-curricular activities which have an important role to play not only in enriching the curriculum but they also help to boost children's self-esteem and self-confidence thus making learning exciting through motivational activities for attaining academic excellence.

Highlights

- Maximum 40 Students per Section
- Digital & Practical Learning Systems
- Values & Life Skills based Education
- Qualified & Experienced Faculty
- Project Based Learning with Real Time Experience

M MINDLER

Empowering Tomorrow's Leaders

Career Guidance Program

At Mahi International School, we understand that choosing the right career path for your child is one of the most significant decisions they will ever make. In today's ever-evolving world, traditional career paths are losing their edge, and it's crucial for students to make well-informed, future-proof decisions. To assist our students on this important journey, we collaborated with Mindler for a comprehensive Career Guidance Program.

Our Career Guidance Program Offers

1. Online Career Assessment & Mapping Platform:

- 5-Dimensional Assessment: Evaluation on 56 holistic dimensions.
- Comprehensive Career Report: A 30+ page in-depth analysis of your child's strengths and interests.
- Best-Fit Career & Stream Recommendations.
- Detailed Development Plans: Clear action plans for each evaluated dimension.

2. Automated Career Planning Tool & Trackers:

- Career Domain Wise Course Exploration.
- Course Wise College Exploration & Deep Dive.
- Automated Mapping of Colleges to Entrance Exams.
- Real-Time Mapping to Exams & Deadlines.

3. Profile Building Tool for Students:

- Measure student profile strength on multiple parameters.
- Access to a curated list of profile building options across various domains.
- Student profiling dossier in the school dashboard.

4. Career Database & Research Tools:

- College, Exam & Scholarship Library Database.
- Career Library with a Knowledge Bank of Hundreds Of Career Avenues.
- Career Blogs & Monthly Newsletter.
- Career Notifications & Alerts on Applications & College Deadlines.

5. Career Workshops: Curated grade-wise workshops covering:

- Stream-wise Career Deep Dive - STEM & Non-STEM Careers.
- College & Course Selection Strategy Workshop.
- New Age Careers & Future of Work.
- Interview Training & CV Preparation Strategy and many more!
- One-to-One Expert Counseling Session (for class X students)

We believe that by making full use of this Career Guidance Program, students and parents will be well-equipped to make informed decisions about their future careers and academic streams.

Admission Procedure

The age eligibility for the primary classes is as follows:

Nursery:

3+ years on or before March, 31 of the calendar year in which the admission is sought.

LKG :

4+ years on or before March, 31 of the calendar year in which the admission is sought.

KG :

5+ years on or before March, 31 of the calendar year in which the admission is sought.

Class I:

6+ years and so on or on the basis of previous class.

- We have designed an admission process that is informative, comprehensive and, we hope, hassle-free. To be a member of Mahi family you need to apply by filling up the inquiry form either online or by visiting school campus.
- Whether you are applying to boarding or day, we will request information about past and present academic performance and personal interest. You will be asked to visit campus for a personal interaction in order to understand the child's readiness to join the school, his/her developmental milestones and special needs if any. Each applicant (seeking admission in class I to XII) will have to go through a standardized written admission test (scheduled on regular basis). Children in boarding house (both boys & girls) will be admitted from grade II onwards.

Mahi Admission cum Scholarship Test

- The School strives to nurture the potential of students and to give a boost to the scholastic domain of the talented and ambitious students, Mahi conducts a admission cum scholarship test for the new entrants of classes III to XII before the commencement of the new session every year thus providing the scholarship of 25% to 100% on tuition fees to the meritorious students of each class. Hence, regardless of your financial circumstances, if you have the drive to study and excel, you are welcome to apply.

Fees Structure
